Dear friends and family.

The season of Lent is close. If we did the normal thing, by now the New Year resolution has either made progress or been abandoned.

Lent gives a chance to do two things.

The first is to explore Christ's three-year journey with us. We can walk where he walked and see what He saw through the scripture accounts.

The second is renew our

resolution to sacrifice some pleasure. But during Lent the sacrifice is not to discipline ourselves but to identify with the suffering Christ endured for us.

This Lenten seasons I invite you to take another approach as a church family. some years ago there was study based on the movie "Chocolat". the movie is a like a parable: a story of everyday life filled with eternal truths to inform and inspire.

Please come and join us.

Details concerning time and place will follow. All we ask is that you bring a journal and an open heart.

In Christ's Love
